Mr. A. V. Moothedan (*Chalakkudi*): Have the Government verified the correctness of the statement contained in this. Out of sheer necessity these people had to trespass upon Railway lines. Is not this statement of fact correct ?

Mr. V. K. Aravindaksha Menon (*Chief Engineer*) : I want notice.

Mr. A. V. Moothedan (*Chalakkudi*) : Is there any road from the Pulaya colony to Chalakkudi ?

Mr. V. K. Aravindaksha Menon (*Chief Engineer*): To remedy that it is not necessary for the Government to construct a road. But the question at present before the Government is whether there have been sufficient level crossings and it is very inadvisable to have level crossings at very short intervals. The Railway Administration have been stressing that point. Even now they have provided more level crossings in the Cochin Railway than anywhere else for an equal line.

Mr. A. Eachara Menon (*Chittur-Rural*) : Will the Government consider the advisability of having an overbridge.

Mr. A. V. Moothedan (*Chalakkudi*) : If there is no footpath nor any level crossing, how can people stir out of their houses ?
